**I am once again asking**  
for you to please not troll

The labels aren't connected properly.

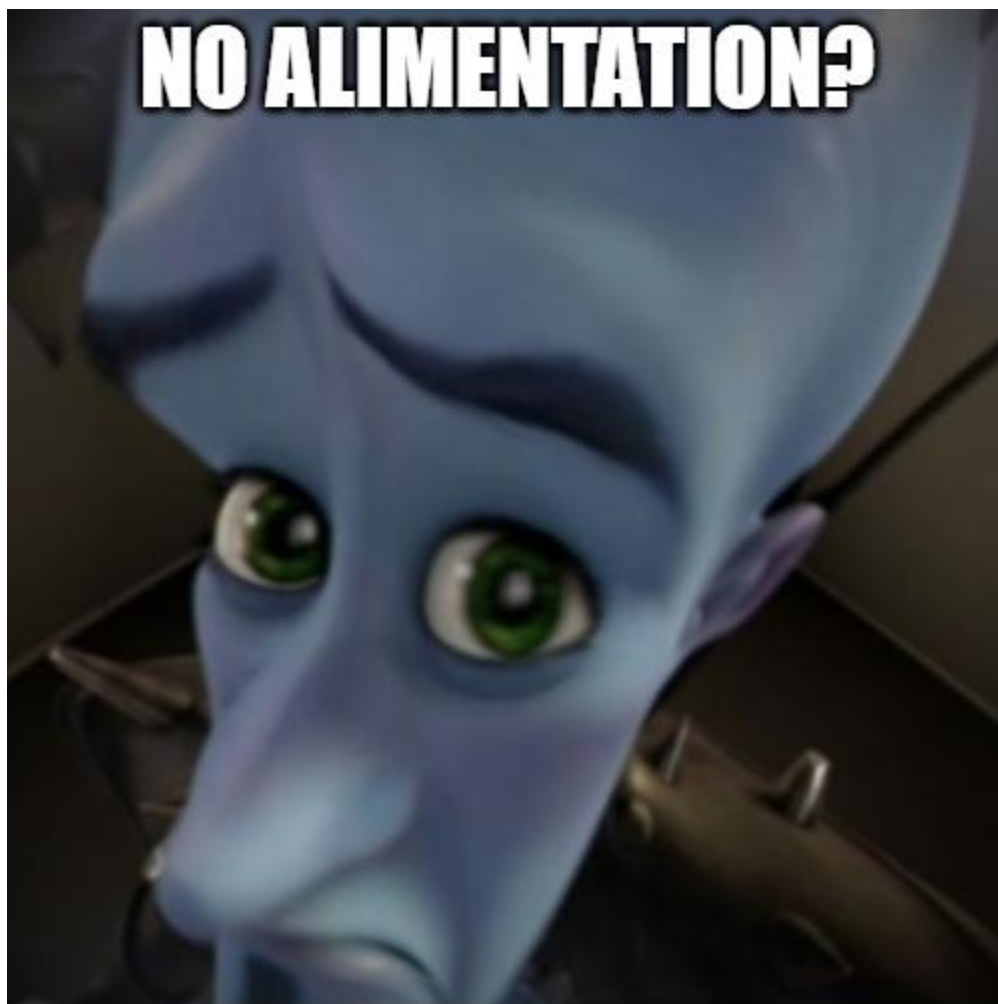

It's Jessy's project.

Marc-Étienne also needs the points from the project.

**NO ALIMENTATION?**

**BARIN**

**TROLL**

Jessy: Who messed up the PCB?

Barin:

**GI PROJECT**

**BARIN**

I forget to  
connect the 5V label

I forget to  
connect the GND label

I forget to  
connect the 3.3V label
