**I am once again asking**  
for you to please not troll

The  
labels aren't  
connected  
properly.

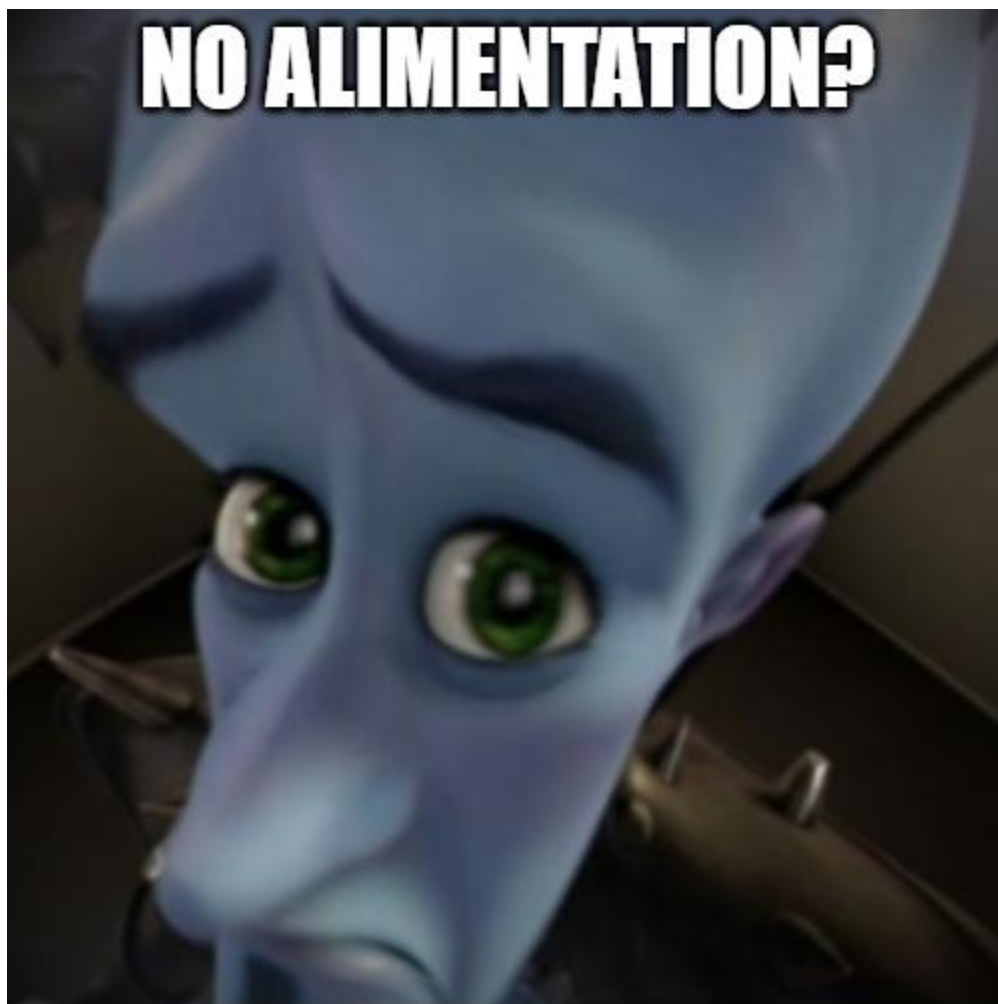

It's  
Jessy's  
project.

Marc-Étienne  
also needs  
the points  
from the project.

Jessy: Who messed up the PCB?

Barin:

I forget to  
connect the 5V label

I forget to  
connect the GND label

I forget to  
connect the 3.3V label
